

## HOW TO GET THE COVID VACCINATION IN HUNGARY

Those foreign citizens who possess a **valid residence permit** in Hungary are entitled to get the COVID vaccine in Hungary. *NB: If you have a temporary residence permit, you are not entitled to receive the vaccine!*

### How to register for the vaccination?

1. visit: <https://vakcinainfo.gov.hu/registration>
2. fill in the personal details: The name has to be written in the *exact the same way*, and in the *same order* as it is in your residence permit!
3. After the personal details choose:

Do you have a Hungarian social security/national health insurance number (TÁJ-szám)?  
 Yes  No

Hungarian citizen?\*

Yes  No

Residency permit number 9 digit

Residency permit number

Personal identity number

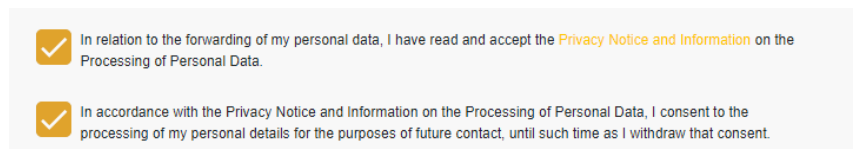

Personal identity number

Personal identity document number

Document number

1. Fill in the next session with the address of your Hungarian accommodation: i.e.: the place where the postal service can deliver your immunity certificate.
2. Having completed the form, please tick the 2 boxes at the end, and submit your registration.

In relation to the forwarding of my personal data, I have read and accept the [Privacy Notice and Information](#) on the Processing of Personal Data.

In accordance with the Privacy Notice and Information on the Processing of Personal Data, I consent to the processing of my personal details for the purposes of future contact, until such time as I withdraw that consent.

### How to book an appointment for vaccination?

Once you have registered, you will receive an email with a personal identification number that you will need for booking. *NB: It might take a couple of days to get this email.*

When you have your number:

1. visit: <https://www.eeszt.gov.hu/hu/covid-vaccination-booking>
2. fill in the form:

Identification type ? *	Residency permit
Identification number *	123456789 write here the 9 digits of your residence permit number
PID number ? *	12345678 write here the number that you received in the confirmation email

3. and submit it.

After submission you will be able to choose from the offered vaccine types and the offered locations for vaccination centres.

If you have any problems, please feel free to contact the Student Office.
